

GOLDEN HILL COMMUNITY PLAN UPDATE Visioning Exercise

Exercise 1: Vision Statement

Reflect on your involvement in the Community Plan Update to date. Keeping in mind the comments you and your fellow peers have made, take a few minutes to summarize (in one or two paragraphs) your vision of Greater Golden Hill. To assist you, you can start your vision statement with:

In 2030, Greater Golden Hill is . . .

Exercise 2: Goals

Review each of the key topic areas provided at CPUAC Meeting #7. Select a few that interest you and begin to formulate a goal(s) for the Greater Golden Hill Community around that topic area.

For example, if your topic is *historic character*, consider the following:

- What is the historic character of Greater Golden Hill?
- Describe the elements that make that character worth preserving
- What would you preserve and why?
- How would you preserve it? Are there any strategies that come to mind?

Please email your assignment to Bernie Turgeon at BTurgeon@sandiego.gov or bring it with you to our next CPUAC meeting.

Your feedback will be invaluable to us in wrapping up the existing conditions phase of the Community Plan Update process and as we head into the charrette. It will also help us focus the charrette toward the topics that most concern the community.

Thank you!
